Welcome to the website of The Picasso Museum. We are one of the most popular museums in the world and lots of people from many countries visit us every year. We opened on March 9, 1963 and have a history of more than 50 years. We have about 4,250 art works and most of them are pictures which Pablo Picasso painted when he was young.

- IV: When was the Picasso Museum opened?
- You:
- IV: Okay. Then, How many works does the museum have?
- You:

- IV: Finally, we want to know why you will learn English hard. Please tell me the reason.
- You:
- IV: All right. We have finished all. Thank you for your positive attitude. You may leave a room.
