1	<p>温故知新ってことわざがあるだろう。あれと同じさ。今は歴史に学ぶべきときなんだ。</p>
	<p>There is a saying "Ask the old, you will know the new" , isn't there?</p>
	<p>This situation is like it.</p>
	<p>Now is the time when we should ask a history and get the answer from it.</p>
2	<p>私を救ってくれたのは、「人生万事塞翁が馬」って言葉だ。</p>
	<p>It is the sayng " No one knows which is better or worse in one's life" that helpd me.</p>
3	<p>人工知能が社会の隅々にまで行き渡ると、人間の役割がどんどん小さくなるだろう。それでも人間の役割はなくなるはないよ。だって、人間はミスをする動物だからこそ喜怒哀楽や人間味を作り出せるから。</p>
	<p>When the artificial intelligence spreads over our society from end to end,</p>
	<p>the roles of humans will be smaller and smaller.</p>
	<p>Nevertheless, I don't think that they will disapear.</p>
	<p>This is because only humans can create delight, anger, sorrow and pleasure emotions ,which lead to</p>
	<p>what is like a human.</p>
	<p>I think that those emotions are produced because a human is an animal that makes many mistakes.</p>
4	<p>あるジョークによると、「ドイツ人二人が集まると、三つの規則と、四つの法律が生まれる。日本人が二人集まると、三つの銀行と、四つの会社が生まれる」。要するには、日本人は貯金と金儲けが好きなんだ。</p>
